LEVEL UP YOUR GOAL SETTING

Congratulations!

Your kiddo is already on their way to setting and crushing their goals.

But what if some of those goals need a little extra boost—like saving for a big trip, giving to a meaningful cause, or buying that awesome gadget they've been dreaming about?

Here's how they can level up:

1 Dream Big and Budget Bigger Show your child how to break larger goals into smaller financial steps. Whether it's \$10 or \$100, every step builds momentum!

2 Turn Goals Into Growth Opportunities Some goals require more than effort—they require money. That's where entrepreneurship comes in! With The CEO Kid Startup Course, your child will learn essential life skills like problem-solving, creativity, and financial independence.

3 Learn, Earn, and Achieve Faster Our course is designed to teach kids how to start and grow their own business, empowering them to fund their dreams while learning invaluable lessons about leadership and responsibility.
